Cycle Friendly Places

Equipment bundle overview

About the equipment bundle

Thank you for taking the steps in making your business a cycle friendly place to stay and contributing to the promotion of cycle friendliness amongst tourism and hospitality providers.

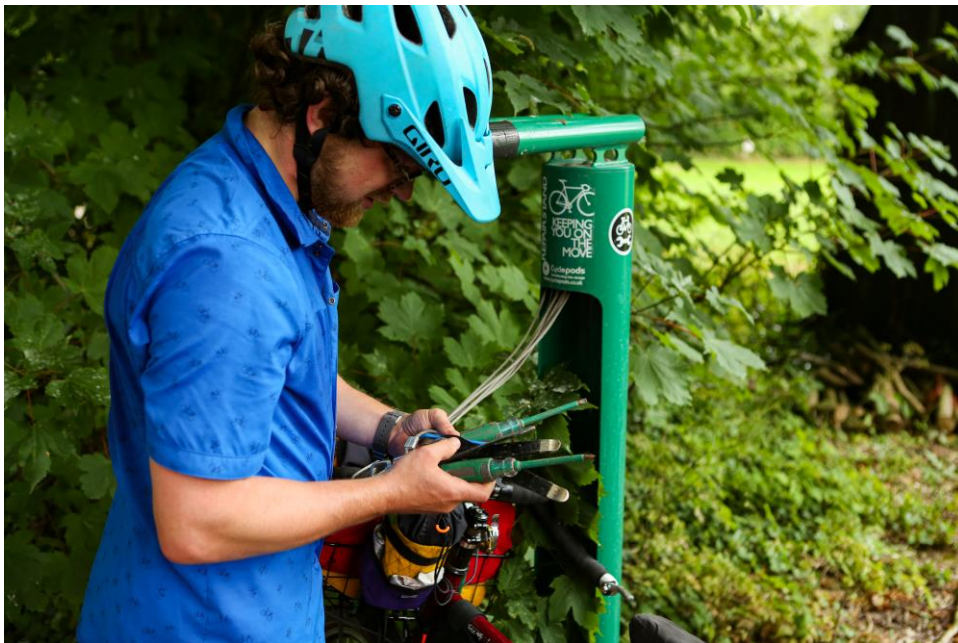

This booklet provides an overview of the contents of the equipment bundle that you will receive. This should cover the basic needs of cyclists, whether it is repairing a puncture or a broken chain or adjusting gears and brakes.

And remember, for safe and happy cycling, always check your bicycle before you set off on your journey. On how to perform a basic check before heading out, please follow the guide below:
